Sir,

Sub: LAND ACQUISITION- (South Kanara)- Mangalore taluk- Mulur village- S.No.61 (portion) and 105/2A1- Improvement of Mulur tank in S.No.101/1 and 105/1- Proposals- Notification- Section 4(1) and Draft Declaration under section 6-L.A.Act- Report submitted.

These proposals have been taken up at the instance of the Executive Engineer P.W.D South Kanara Division. He has applied for the acquisition of portions of S.No.61 and 105/2A of Mulur village Mangalore taluk of this district for the improvement of the Mulur tank. An extent of 0.20 cents, has already been acquired from S.No.61 by the Revenue Divisional Officer, Coondapur in his L.A.C 13/54 dated 15.9.55.

2. The Chief Engineer (General), Irrigation Branch Madras who inspected the tank in question found that besides the extent of 20 cents, and additional extent of about 2 cents of land was absolutely necessary for effecting improvements to the tank. In B.P.Rt.No.448/55 dated 18.3.55 the Board of Revenue, Madras ordered that the work relating to the improvement of the irrigation tank in S.No.101/1 and 105/1 of Mulur village, Mangalore taluk should be taken up by the Executive Engineer, P.W.D. and that necessary provision towards L.A charges in the estimate of should also be made.

3. In G.O.Rt.No.146 Agriculture (F.P) dated 6.5.55 the Government directed that proposals to acquire the additional extent of 2 cents of land referred to by the Chief Engineer (Irrigation) should be expedited

4. When the matter was being enquired into by the Revenue Divisional Officer, Coondapur, the Government in G.O.No.2064 Rev dated 2.7.55 directed that L.A. cases where the extent involved is less than one acre of which the cost of acquisition is Rs.1000 or less, should be entrusted to the Tahsildars for disposal. Accordingly the case in hand was transferred to the concerned Tahsildar, with directions to submit necessary draft proposals under section 4(1) of the L.A.Act after due enquiry.

5. In the course of the enquiry and inspection of the plots it was found that S.No.61/1B and 105/2A1 together measure 0.03 cents and that they do not contain any tombs or grave yards or any other religious edifices. The plots though registered as garden in the

Revenue accounts do not contain any garden trees or topes. They do not contain any substantial improvements either There is also no objection to the acquisition from the interested persons. The total cost of acquisition is estimated at Rs.88-8-9. The plots are arable.

6. The major portion of the land needed for the improvement of the tank has already been acquired by the Revenue Divisional Officer, Coondapur. The improvement cannot be executed unless the present portions are acquired. The acquisition is therefore urgent. The Executive Engineer P.W.D who has applied for the acquisition of the plots requests that the plots may be acquired urgently. Improvement to the tank is in the public interest in that, the question of growing more food is concerned. The acquisition of the additional extent is therefore necessary and it is an urgent one. I therefore treat the case as one falling under Section 17 of the L.A.Act and recommend that the enquiry in this case under Section 5A of the L.A.Act may be dispensed with.

7. I submit herewith a draft notification under section 4(1) and Draft declaration under section 6 of the L.A.Act both in duplicate read with section 17(4) of the said Act and request that they may be please be approved and ordered to be published in the Fort St.George Gazette, the draft notification under Section 4(1) being published earlier.

8. An eye sketch of the plots proposed to be acquired is enclosed for perusal and return.

Yours faithfully,

Please see the letter at P1CF from the coll of South Kanara and the D.N and D.D under L.A. Retail NA 3-4 and 15-16 CF respectively. The work of repairs to Mulki tank in Mulki Village in Mangalore Tq, South Kanara Dt was approved by the Board in BP Rt 574/50 dt 17.5.50 at a cost of Rs Rs 3209/= and the revised estimate for the same work was approved by the Bd in BP Rt 242/52 dt 5.2.52 for Rs 3450/= for works only. In BP Rt 448 dt 18.3.55 the Bd ordered that the work should be taken up by the CE (9) for execution after making necessary provision towards L.A. charges. In the original estimate only 20 cents were proposed for acquisition. After personal inspection by the AE & MF it was reported by the CE (9) that an addl extent 2 cents, besides 20 cents was required. However the declaration under Sec 6, for 20 cents was approved by the Govt in GO Rt 146 Agri (FP) dt 6.5.55 and the coll was requested to submit acquisition proposals for the additional two cents

In accordance with the above directions, the collr has submitted draft notification and draft declaration under L.A. Act for the acquisition of the additional extent required. The D.D has been furnished in the latest form prescribed by the Govt., in G.O.Ms 3858 Rev dy 15.12.55. The collr has reported that the S.Nos 61/1B and 105/2A1 (which are required now) together measure 0.03 cents only and has accordingly submitted proposals for the acquisition of the above extent. As the land is arable, and the acquisition is an urgent one, the collr has proposed to invoke the provisions of sub-section (1) of Sec 17 of the L.A. Act. The notification and the declaration may be approved and forwarded to the Supdt. Govt. Press for publication in the Fort St. George Gazette.

Draft at plate is for approval.
